EXPLORE DOWNTOWN TIGARD BINGO

How it works:

Complete the activities in the squares to get a bingo! Once you have completed an activity, show the participating business and get your bingo card validated. For the activities not connected to a business, they can be completed and validated at any of the participating businesses. No more than one stamp per transaction or activity. For example, you cannot spend \$15 at one business and get a stamp on two squares. One transaction or action equals one stamp on one card.

Once you are finished with your bingo card, please turn in to Main Street Stamp & Stationery or Curiosities by December 26.

Prizes:

For each traditional bingo you complete, you get one entry into the drawing (maximum of 12 entries). If you complete the full bingo card and get a blackout, you will get an additional 3 entries in the drawing (total of 15 entries).

The prizes are gift certificates to the participating business and the grand prize is a \$100 visa gift card!
